

Dedication

St. Paul Catholic Church  
Whitehaven, Tennessee

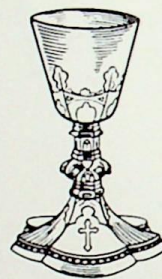

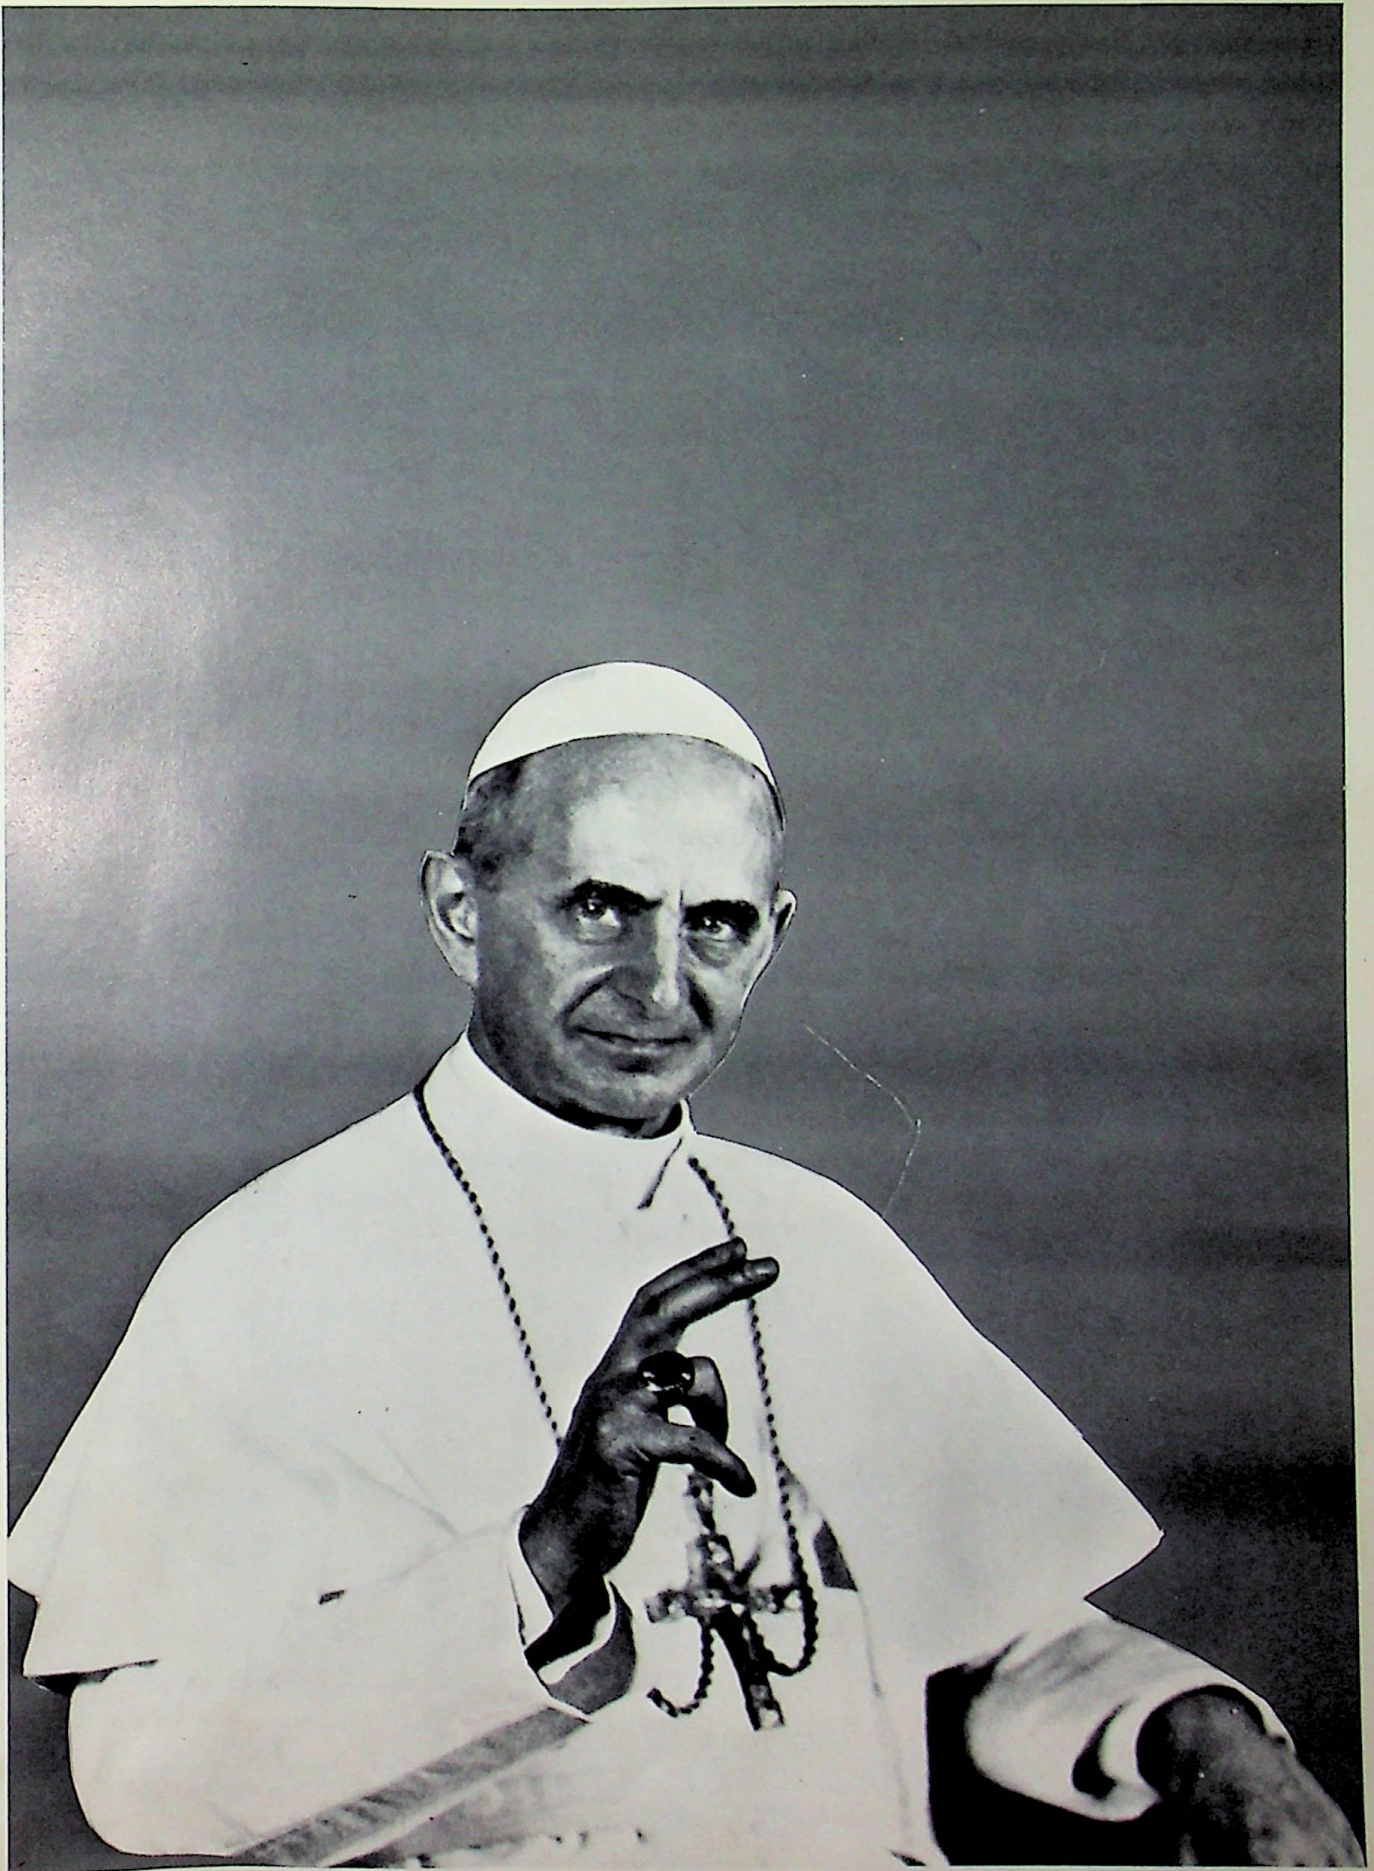

*St. Paul Catholic Church*  
*Dedication Book*  
*1964*

*This place inspires us with awe: it is the House of God and Heaven's gateway, and shall be known as God's Temple. How lovely is Your dwelling place, Lord God of Hosts!*

When the Israelites were in the wilderness the Tabernacle, or tent, of the Covenant signified God's presence among His people; today He chooses to dwell in our churches, in the tabernacles where His sacramental presence is always with us. The Temple At Jerusalem, consecrated to the one true God was the pride of the Chosen People and a standing witness to the Messianic promise; on this hill of Sion all the nations of the earth would one day meet in a single worship. Yet, as Jesus had foretold, this Temple was utterly destroyed. But the one sacrifice of the New Covenant took the place of the sacrifices of the Old. Surpassing the former Temple, every Christian church is a house of prayer, wherein the supreme High Priest offers His sacrifice every day. On the day of their dedication, our church buildings are anointed with oil, for they are an image of Christian men and women, themselves temples of God consecrated to His worship by anointing at Baptism. Church buildings are, too, an image of The Church, which is built of living stones on the foundations of the Apostles. This Church is being built up little by little, century by century, until the day comes when she will be the New Jerusalem, and in her will be revealed the glory of God Who dwells in her.

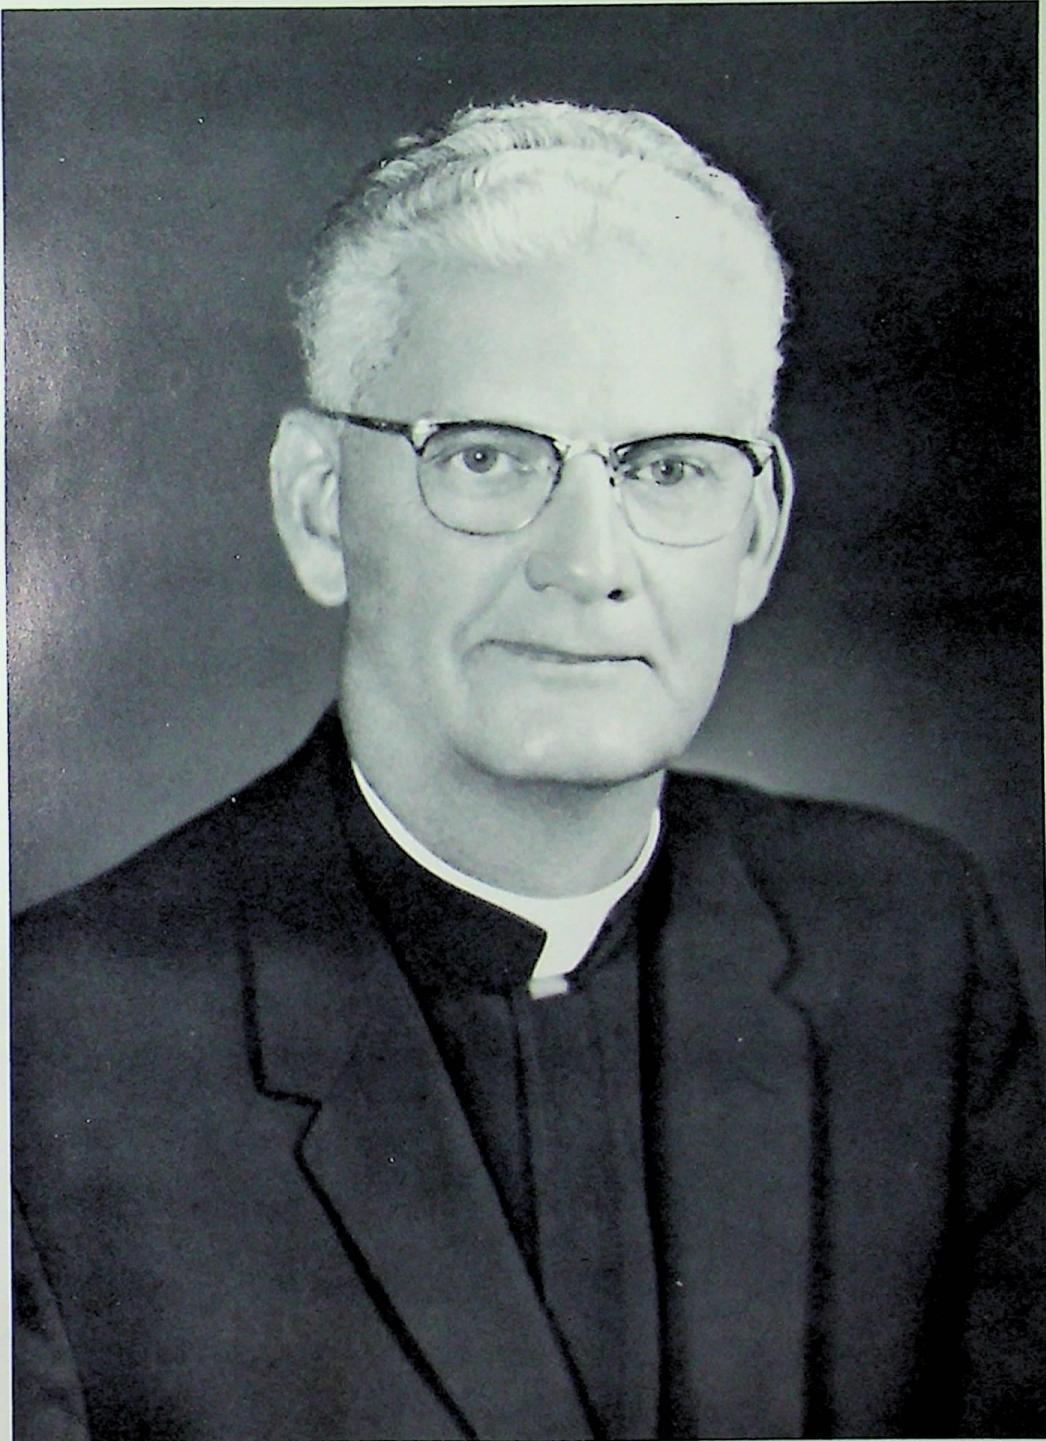

*POPE PAUL VI*

*HIS EXCELLENCY  
THE MOST REVEREND WILLIAM LAWRENCE ADRIAN, D.D.  
Bishop of Nashville*

Rt. Rev. J. Harold Shea, V.F.

# St. Paul's Church

1425 Whitehaven-Capleville Road

Memphis 16, Tennessee

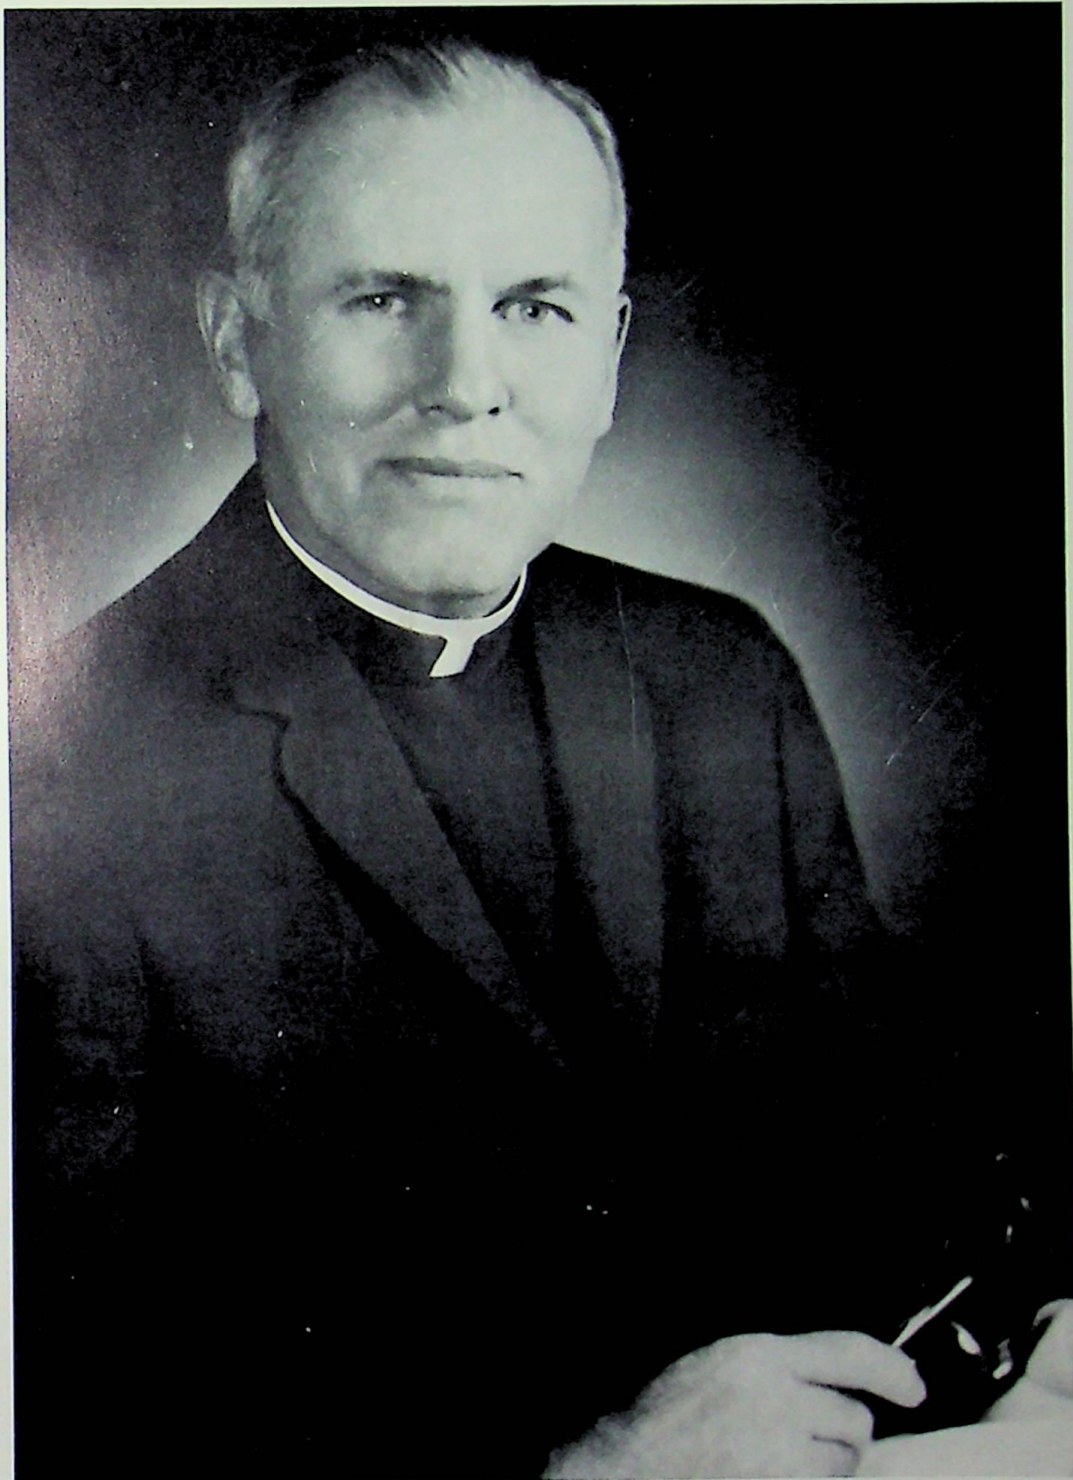

My dear Parishioners:

The dedication of St. Paul's Church brings to a maturity the blessed growth of this parish. Our physical plant is practically complete. Our spiritual assets of intelligence and charity are immeasurable. Our supernatural quality is far above average. Our Lord must be pleased with the most of us.

A special word is in order to the families who are tithing. To you belongs the great credit for so lovely a church. Without you it would not have been possible. Our special gratitude goes to John Kings, the builder, and Jeff. Wright, the designer.

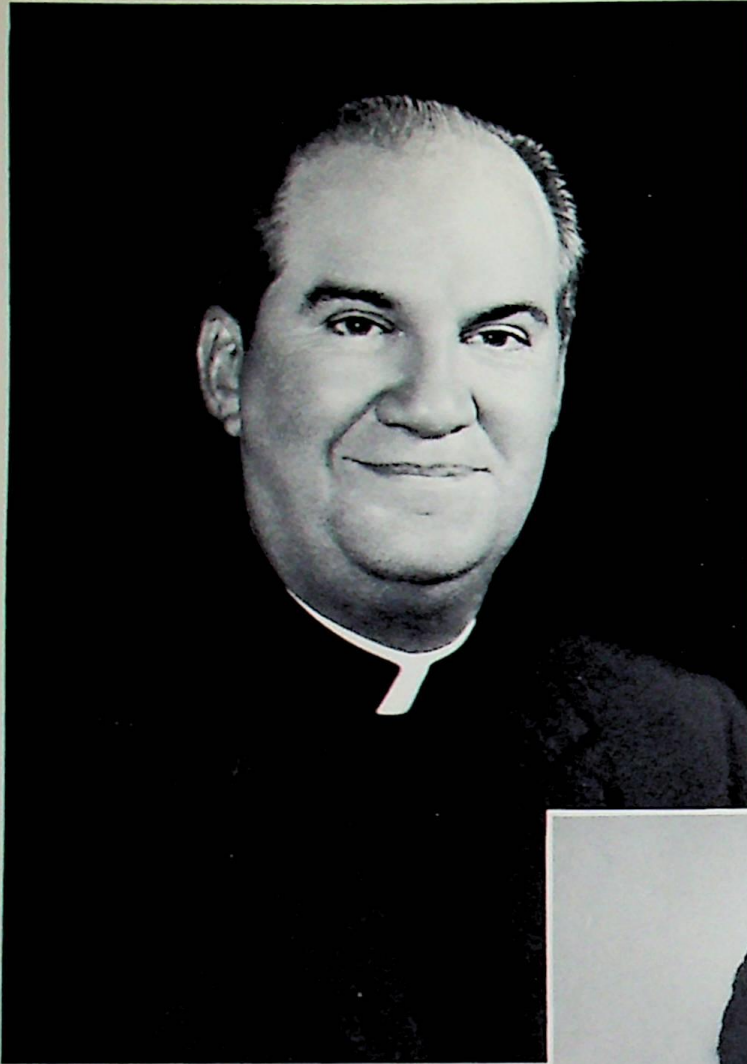

Our Lord bless and prosper us in the future as He has done in the past. To the extent that we are loyal to His truth, His way, and His life this shall happen.

Gratefully Yours in Christ  
Edward J. Cleary, Pastor.

*In the Beginning*

*There Was Only the Word*

In November, 1944, Whitehaven became a mission of St. Thomas Parish in south Memphis. Father Paul Clunan, assistant at St. Thomas, began to organize the Catholic families in the area. Ten acres, located east of Highway 51 South on the south side of Shelby Drive, were purchased from the Edwards Estate by the Diocese. Special permission was granted for the first mass to be said in the Gillia home. Mass continued to be said there every Sunday for several months with an average of sixty people in attendance.

In March, 1945, Bishop Adrian named Father Angelo Lenzi, Assistant Chancellor, to be the first pastor and undertake a building program. The first project was a crypt to serve as a temporary church. The Parish was entrusted to the patronage of St. Paul, Apostle to the Nations. In July, 1945, the first mass was offered in the crypt. The upper church was completed in December, 1946, and the first mass offered there on Christmas Day.

Until 1949 children of St. Paul were transported by bus to St. Thomas school. Construction began on St. Paul school in June, 1949. Pending the completion of the four classrooms, three Sisters of Mercy began classes in the crypt with 106 pupils. The new school was blessed and dedicated by Bishop Adrian on November 20, 1949.

The Foster home on Shelby Drive was purchased in November, 1950, and remodeled into a convent.

In October, 1953, Father Lenzi was killed in an automobile accident in New Albany, Mississippi. A loss felt not only by his beloved parishioners but by the entire community.

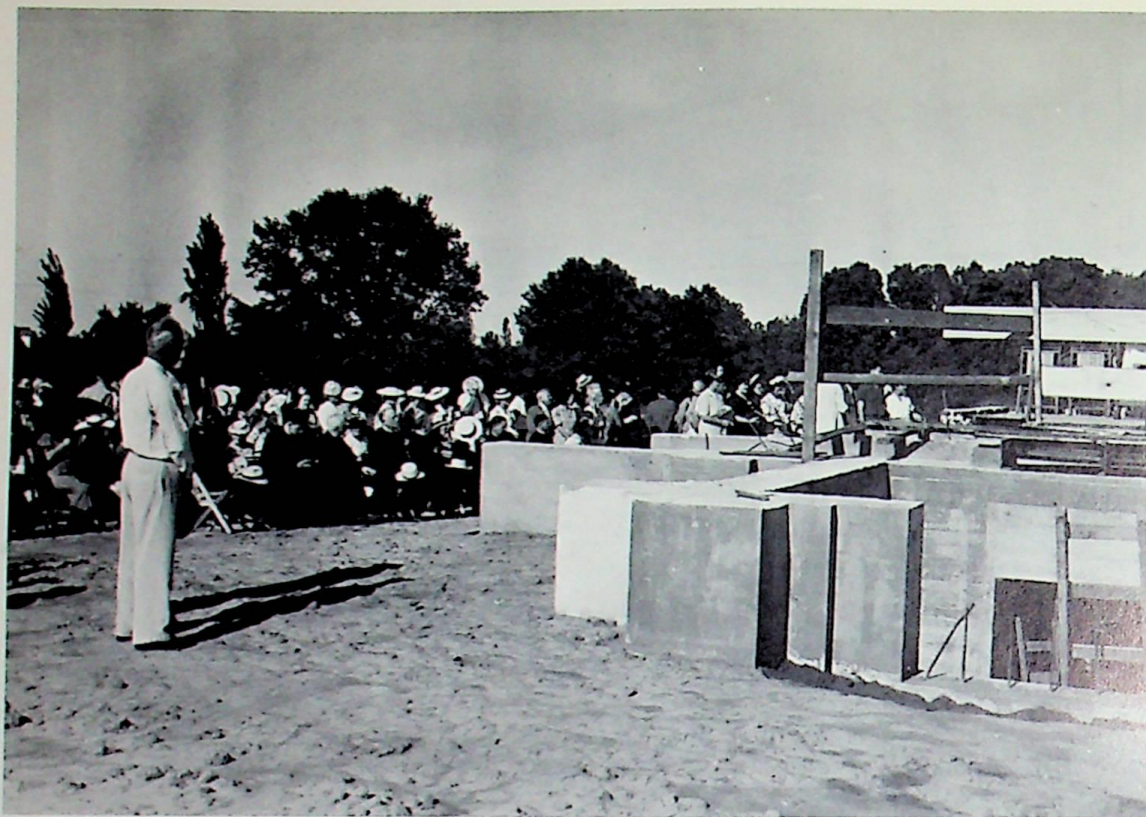

Father Edward Cleary became Pastor on February 4, 1954. Of immediate concern to the new pastor was an expansion of the school and reduction of the debt of \$35,000.

In 1954 four new classrooms were begun. The school was again expanded in 1956-57 making a total of 16 classrooms. The gymnasium was constructed in 1961 and used temporarily for classrooms.

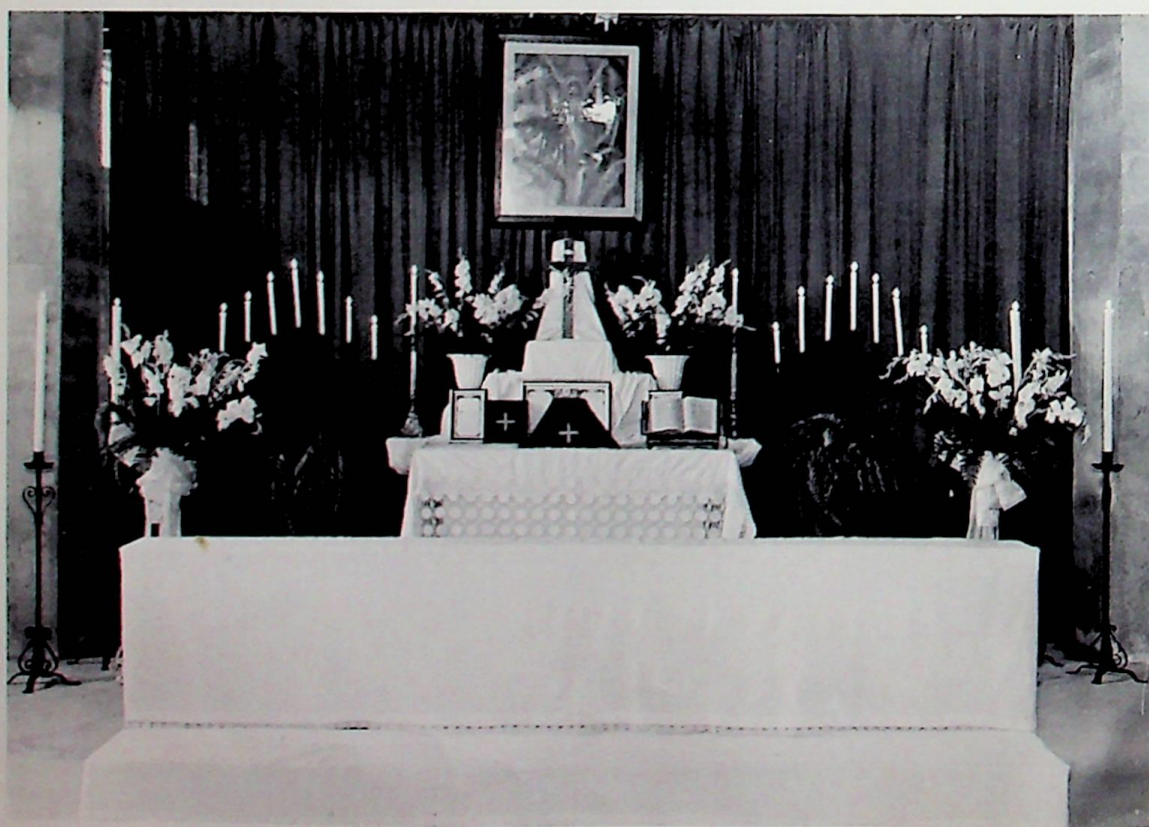

Having outgrown the original church the altar was moved to the gym, and in June, 1963, six classrooms were built onto the northwest corner to provide facilities for the new Children's House.

A long cherished dream to build a church large enough to serve the needs of the fast growing parish became a reality in December, 1961, when ground was broken. Final plans were then completed for the construction of a new church to seat approximately 1100 people.

Construction began March 18, 1963, with plans for completion in spring 1964.

## OUR MOTHER CLEARY

One of the busiest and most well-known parishioners is the mother of our Pastor. A "jack-of-all-trades," Mrs. Cleary is a combination hostess, cook, secretary, and chauffeur. Her gracious smile greets one and all every Sunday in the St. Mark Gift Shop. We in St. Paul Parish respect, admire, and love Mother Cleary.

SECOND ROW; Bill Eager, Joe Cherubini, Vincent Cuoghi, Chancellor; Andy Thompson, John Prudhomme, Financial Secretary. THIRD ROW: Carl House, P. J. Jensen, John Heirigs, Frank Loeffel, Editor St. Paul Knight.

With forty-one members on the roll, St. Paul Council No. 5062 of the Knights of Columbus, became official on January 6, 1961. It quickly established itself as one of the most aggressive councils in Tennessee. Its membership now boasts eighty-nine members.

The "St. Paul Knight," a monthly publication, was instrumental in the council's winning the Outstanding Council in Tennessee award at the 1962 convention. The Knight's sponsor and participate in many activities throughout the year: St. Peter's annual picnic, Parochial Athletic Association, pancake breakfasts, Christmas baskets for the needy, Lenten Rosary clubs, holiday dances, and the Knight of the Year banquet. Grand Knight, Lloyd Rhodes, and all the members are eagerly working toward property acquisition for a new home.

### ST. VINCENT DE PAUL

In November of 1959 St. Paul Conference of St. Vincent De Paul Society was formed.

The society secures funds for the needy from the salvage store and sales of the Sunday Visitor. These projects do not provide sufficient funds but are augmented through the generosity of the parishioners.

Pictured left to right: Jim Gerard, Secretary; Wilton P. Tilly, President; Al Stukenborg, Treasurer.

### ST. LUKE CIRCLE

St. Luke's Circle grew out of the original Altar Society. The current project of this circle is the complete landscaping of the church and school grounds. Several years ago St. Luke's paid for the construction of the asphalt drive behind the school.

Monthly meetings of the club are held in the homes of the members, with luncheon being served.

The fund raising dances given by St. Luke's Circle have become traditional social gatherings for the parish. The cooperation of the members within this society is the basis for its continued success.

#### ALTAR SOCIETY

The Altar Society was begun by the ladies who were the first families of this parish. Mrs. John Ronza, under the direction of Father Lenzi, called together a group of ladies who made all the altar linens needed in the church. The ladies also took care of cleaning the church.

Our present Altar Society has a membership drive each fall. A Mass is offered each month for the members.

The ladies clean and decorate the Altar and church every Saturday and for all Feast days.

The proceeds from Sunday donut sales pay for the flowers for the altar and other needs that arise.

Officers are Mrs. W. C. Wilkie, Mrs. Carl Savage, and Mrs. Hal Brig-nole. Not pictured: Mrs. James Maloney.

#### THE LEGION OF MARY

The Legion of Mary is a world-wide organization founded in Ireland in 1921 and is made up of Catholic men and women who offer their services to their pastor to aid him in performing spiritual works in the parish. This is done by placing themselves under the banner of Mary so that with her help they may develop greater holiness in their own lives as well as spread a deeper devotion to her among others. The only obligation required of members is a willingness to fulfill each and every duty which membership in the Legion involves. The Legion was established in St. Paul's Parish in 1962 and is under the spiritual direction of Father Wm. Fennell. The officers are Mrs. Clarence H. Tesson, Mrs. Clifford Cor-kins and Mrs. Milton E. Barker.

### PARISH CLUB

The Parish Club was organized as a means of communication between the parents and faculty, also as a fund raising body to supplement the needs of the convent and school.

Each September the Parish Club and faculty decide a goal for the school year. During the 1963-64 season funds were raised to initiate a central library for the school. The united effort of all the mothers made this possible.

 Mrs. Roy Gaia, Roy Gaia, Mrs. John Pechak, John Gaia, Mrs. David Whitten, David Whitten, Mrs. John Gaia, John Pechak, Mr. & Mrs. John Hope, now residing in Miami, join this group when in the city.

In January, 1958, Father Cleary held a series of Cana discussions. From this series several small groups were formed, one of which has been meeting regularly. As the word Cana would imply, the meetings consist of the examination of today's marriage, a couple's relationship to God, to each other, and their children. Occasionally, members participate in city-wide activities concerning Cana and other programs which would be of interest to the parish.

#### PERPETUAL ADORATION

In 1960 Father Cleary began a plan whereby members of the parish would be present before the Blessed Sacrament one hour each week. The ladies are responsible for filling the daylight hours and men of the parish for the hours from 10:00 PM to 6:00 AM. All parishioners are invited to participate in this program.

## McAuley Club

Mother Catherine McAuley founded the Sisters of Mercy in Dullin, Ireland in 1831. Her great ambition was to serve Christ in those she found around her. McAuley Club girls try to capture the spirit of Mother McAuley by seeing Christ in others and ministering to Him in them. The girls make Mother McAuley known and loved by carrying on her work and by fervent prayer that the number of her followers will ever increase.

## Civics Club

Officers

St. Paul Civics Club is affiliated with the Commission on American Citizenship of the Catholic University of America. The purpose of the organization is to train youngsters in leadership and make them aware of community problems, and to inspire them to fulfill their duties as future citizens of America in keeping with Christian Social living.

## *Eucharistic Crusaders*

## *Children's House*

Established in September of 1963, the St. Paul Children's House marks the beginning of Montessori education in Memphis.

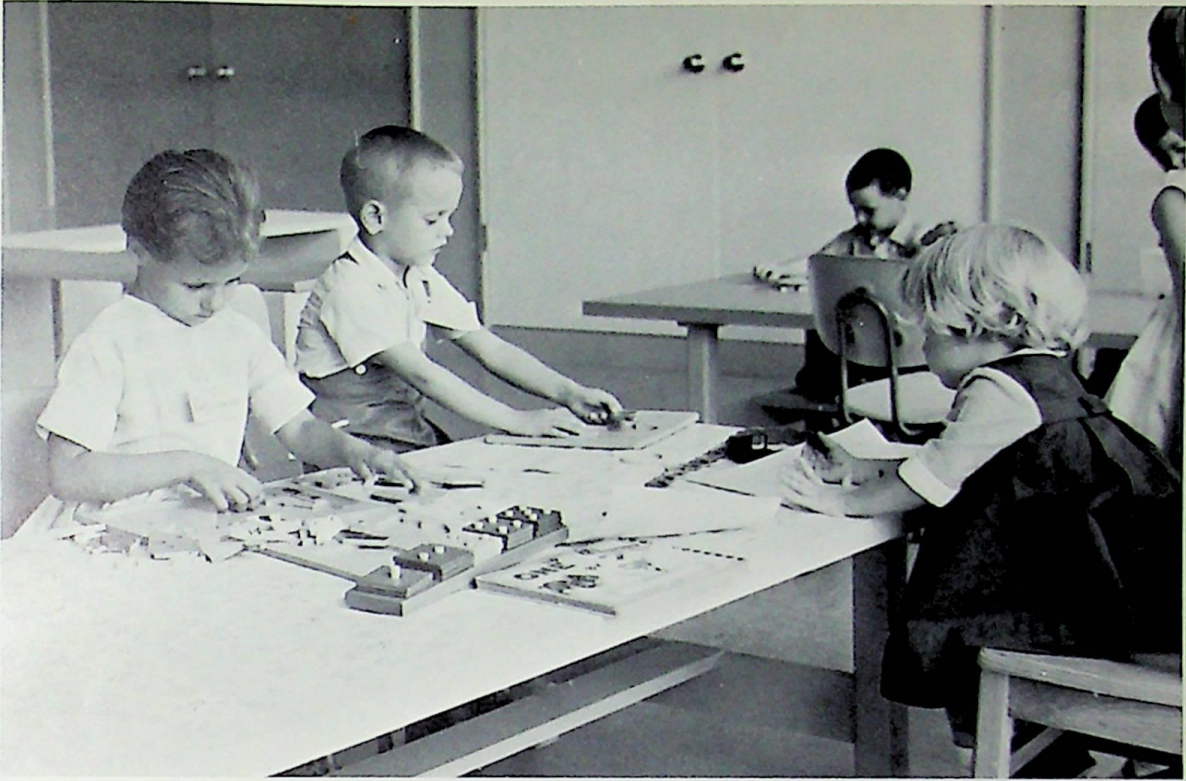

One hundred and thirty children, 3, 4, and 5 years of age are presently enrolled under directors, Vivian Michals, Ruth Stephenson, and Patricia Yoste. Assistants are Mary Frady, Doris Kaiser, and Sue Russell. Martha Wojak, recently married, was one of the first directors.

The Children's House utilizes scientific education based on the knowledge of the child. It follows the natural and supernatural laws of development of body and soul. It is education, an aid, a protector, and a help to life.

The Children's House enables the young child to achieve mastery of detail, to move to higher levels of independence, to remove defects of thought and action. It feeds mental hunger and promotes self activity. It is God-Conscious.

The Children's House teaches children to enjoy learning.
